Undergraduate students

Each semester, the Academic Dean publishes a list of honor students in recognition of outstanding academic achievement. Students who earn a quality-point index (QPI) of 3.5 or higher are eligible for this recognition.

To qualify, students must complete at least 9 undergraduate credit hours during the semester, excluding remedial courses, dropped courses, and courses taken on a pass/fail basis. Only matriculated students are eligible for this honor.

Graduate students

Graduate students are expected to maintain high levels of achievement; thus, no additional distinction is made. There is no Dean's List of graduate students. Graduate courses taken as part of a combined undergraduate/ graduate program are not included in Dean's List calculations.
