

How to Connect to SFC-Guest on Android

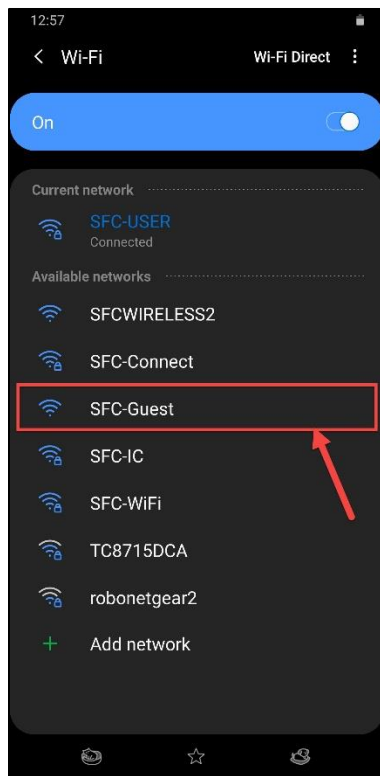

Step 1 – From your phone tap on **Settings**.

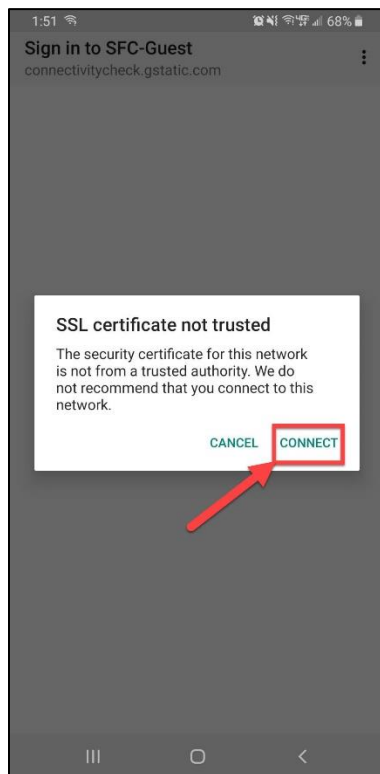

Step 2 – From the settings menu tap on **Connections**.

Step 3 – From the list of Available Networks, select **SFC-Guest**.

Step 4 – From the SSL certificate not trusted, select **Connect**.

Step 5 – From the SFC Guest WiFi Portal select **Or register for guest access**.

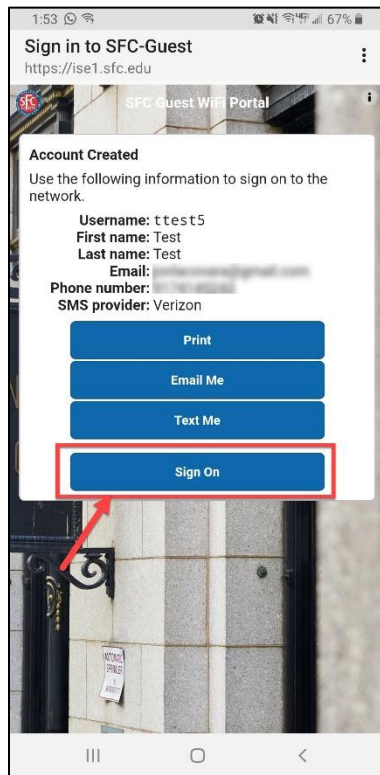

Step 6 – Fill out the Registration information accordingly:

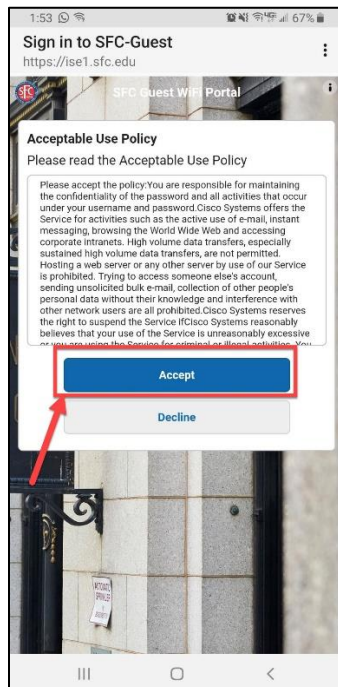

- A. First name – Your First Name**
- B. Last name – Your Last Name**
- C. Email address – Your personal email address or company email address**
- D. Cell Phone Number – Your Cell Phone Number**
- E. Company – Your company (Not Required)**
- F. SMS Provider – Select your cell phone carrier**
- G. Select Register**

Step 7 – Your information will be displayed and login information will be sent to your phone via text from do-not-reply@sfc.edu. Select **Sign On**.

Step 8 – Select **Accept** to accept the Acceptable Use Policy.

You are now connected to SFC-Guest
