

Lizeth Baudin, MSN, WHNP-BC

OBJECTIVE

Dedicated Nursing Clinical Instructor with a strong foundation in women's health and gynecology, committed to fostering clinical excellence and compassionate care in future nurses. Skilled in translating complex medical concepts into accessible learning, coordinating patient-centered care, and supporting academic growth through clear communication and thoughtful mentorship. Seeking to continue contributing to St. Francis College's mission by cultivating a collaborative, evidence-based clinical learning environment.

EDUCATION

School of Applied Functional Medicine – Certificate Program (Currently Enrolled, 2025 – Present)
